Match Format

CHAPMAN OR PINEHURST MATCH PLAY

In a Chapman or Pinehurst match, two play against two. Each partner plays from the teeing ground, but plays the partner's ball for the second shot. After the second shot, partners select the ball with which they wish to score, and play that ball alternately to complete the hole.

Acceptability of Score: This is not an authorized format of play, and any scores made under this format are not acceptable for score posting purposes.

Allowance: 60% of the Playing Handicap of the golfer with the lower handicap + 40% of the golfer with the higher handicap. The side with the higher Playing Handicap receives the difference between the Playing Handicap of each side. The lower-handicapped side plays from scratch.

Example: Side A-B is comprised of Player A with a Course Handicap of 5 and Player B with a Course Handicap of 10. Player A ($5 \times 60\% = 3$) + Player B ($10 \times 40\% = 4$) = 7 strokes for side A-B ($3 + 4 = 7$). Side C-D is comprised of Player C with a Course Handicap of 14 and Player D with a Course Handicap of 17. Player C ($14 \times 60\% = 8.4$ rounded to 8) + Player D ($17 \times 40\% = 6.8$ rounded to 7) = 15. Side A-B plays at scratch and Side C-D receives one stroke per hole on the first 8 allocated handicap-stroke holes.

Note: Due to Scrolf programming, 50% of both playing handicaps will be used for team handicap.

Match Format

FOUR-BALL MATCH PLAY

In four-ball match play, two play their better ball against the better ball of two other players (“The Rules of Golf”, Rule 30 and Definitions).

Acceptability of Score: Four-Ball Match Play is an authorized format of play, and acceptable scores made in this format must be posted for handicap purposes.

If a hole is conceded (a player starts a hole but does not hole out), then that golfer must record their “Most Likely Score” for handicap purposes.

If a match ends before all holes are played, any remaining unplayed holes must be recorded as Net Par.

Allowance: 90% The Playing Handicap of all four players is reduced by the Playing Handicap of the player with the lowest handicap, who then plays from scratch.

Example: *Players A, B, C, and D have a Playing Handicap of 5, 10, 15 and 20, respectively. Player A plays at scratch, B receives 5 strokes, C receives 10 strokes, and D receives 15 strokes. In mixed four-ball match play, strokes are taken as assigned on the players’ respective Stroke Allocation Table.*

Tournament Rules

1. **Out-of-Bounds** at Indian Canyons South Course. Normal out-of-bounds penalty applies. Your options are:
 - a. Add one stroke and re-hit from the same spot (if it's off the tee you're hitting your 3rd stroke), or
 - b. Proceed to the distance where you and your opponent can agree the ball would have ended, drop a ball one club length into the fairway, and add two strokes (if you went out of bounds off the tee you're hitting your 4th stroke).
2. **Penalty Areas** at Indian Canyons South Course. Normal rules apply. Your options if your ball enters a penalty area are:
 - a. Add one stroke and play from where your last stroke was made,
 - b. Add one stroke and take relief by going back as far as you'd like on the line of the flag and where your ball crossed the edge of the penalty area, or
 - c. Play the ball as it lies (you can take practice swings and ground your club).
 - d. If it is a RED penalty area, you can also take lateral relief by adding one stroke and dropping within two club lengths of where your ball crossed into the penalty area, no closer to the hole.
3. **Resort Rules** on the rest of the course:
 - a. If a ball is hit into a desert area (other than OB or a Penalty Area) and is not found, you must drop within 2 club lengths (no closer to the hole) of the point where you and your opponent can agree the ball would have entered the desert area, add one stroke, and carry on.
 - b. If your ball is found in a desert area, you can:
 - a. Play it as it is, or
 - b. Drop within two club lengths out of the desert area no closer to the hole, add one stroke and carry on.
 - c. If you see a ball enter one of those damn Washingtonia filifera palm trees (desert area or not), your options are:
 - i. Take a drop less than 2 club lengths outside the tree well no closer to the hole, add a stroke and continue, or
 - ii. Drop within two club lengths of where you and your opponent can agree it entered the desert area, add a stroke, and continue.
4. **Gimmes** – Remember there are Chumley Games in play and putt everything out if you have a chance at a deuce or skin on Days 2, 3, and 4,.
5. **Tees** – We will be playing the BLACK tees on par 4s and par 5s, and TEAL tees on par 3s.
