## 15-9

Day 1 is done. Blue leads after some stellar play by a few pairings. Long got his usual 3 points and once again is co-leader in the MVP race. Despite the score Team Grey was pretty happy as they have garnered enough points to ensure that they will indeed play in day 4 (Ken Truhn is delighted). There are some dandy day 2 matchups.

**DRUNK DUDES OF THE DAY**

Slim pickings for the DDD. Gave it to these two closet homos. Honorable mention goes to Steve Larsen.
