GREY

Team Blue's lead was just too much and Grey could not make up the difference on Friday. Despite the valiant efforts of Tipler and Rodgers who captured 3 points each, there were too many lop side Blue victories to make it close. The marquis match between K. Chrenek and Carriere did not live up to the hype. Chrenek spanked Lincoln's ass prompting calls by Carriere for a rematch next year. It is likely no promoter will touch that dud of a matchup again.

The weather was great and the comradery even greater this year. On a trip like this, there are no winners or losers, just 32 guys leaving Palm Springs with a ton of great memories.

Guess who is MVP again!

Kevin Long has now won the MVP Green Jacket for the third consecutive time. His 11 points bested K. Chrenek by ½ point this year. Congratulations Mr. Long!
