BG23 ONE WEEK AWAY

A whopping 32 participants tee it up in in the 2026 BlueGrey Classic. What started as 12 friends on a golf trip has evolved into the best run golf trip/competition anywhere is a testament to KC's superior organizational skills. Ass kissing aside, Kevin has put together a great trip every year and this one promises to be a dandy.

There are a number of old classics returning to BG this year. Led by the iconic Cliffy Cronk are reruns Lindsay, Larsen, Truhn, Brody Thomson and Horneland. All are seasoned BG veterans who will ensure that this trip will be memorable. Oh yah, "The Shane" is back as well. Rumor has it Shane has asked the Alcazar to disable their security cameras for the week.

INDIAN CANYONS GETS THE NOD AGAIN

Indian Canyons in Palm Springs is once again the venue for the tournament. It is a record 8th trip to this wonderful track with Phoenix's Legacy Resort as the second most played course with 6 visits. While Indian Canyons may not have on site accommodations or allow waitress roping and streaking, it is a great course worthy of the record

DAY 1 PAIRINGS : CHAPMAN (SCOTCH BALL)

Match	Blue		Grey
1	D. Chrenek/Lainchbury (0)	vs	Gillis/Newbury (3)
2	Wallmann/Boyd (1)	vs	Radbourne/Rodgers (13)
3	K.Chrenek/Long (9)	vs	Teichroeb/Stojan (9)
4	R. Thomson/Nichol (6)	vs	Truhn/Krupka (10)
5	Larsen/Boschman (8)	vs	Smith/Tipler (2)
6	Horneland/Lindsay (19)	vs	Cronk/Carriere (11)
7	Morris/Weaver (6)	vs	Jensen/Stillwell (10)
8	Albinati/B. Thomson (2)	vs	Gardner/Pudwell (11)

The format for Day 1 usually leads to some interesting pairings and this year is no exception. There are a few pairs that are no surprise. Truhn/Krupka is as common a pair as Simon & Garfunkel, Peas & Carrots and Rum & Coke. On the Blue side, Captain Chrenek has gone with his tried and true pairing of himself and whomever is the reigning MVP. It has worked well for KC in the past with the exceptions of when the MVP was Grey and of course the embarrassing time he tried to pick himself as a partner.

Match 1 looks to be a dandy with four low handicappers. There is some concern that D. Chrenek would be distracted by his assistant beverage manager duties. Gazette reporters contacted Lip Out Pub manager Rodgers for a comment on this. Unfortunately, he could not stop laughing long enough to give us a proper statement.

Match 6 is interesting with the Blue team putting out two guys who haven't golfed much in the past year against Cronk/Carriere who have been lovingly dubbed "The Biggest Losers" by their captain Krupka. "Cliffy has lost some pounds and Lincoln is down so many sizes he should change his name to Ford Fiesta" said some wiseass at the pregame party.

2025 GAZETTE EDITOR DISMISSED AFTER ONLY ONE YEAR

The Gazette regrets to inform it's readership that our 2025 editor has been relieved of his duties. "Mr. Chrenek's tardy 2:00am Gazette submissions coupled with the scant content forced us into this decision," said the ownership group. The Gazette wishes Kevin well and hopes the AA meetings turn things around for him. After an exhaustive search turned up empty, the Gazette was forced to go back to their old editor. We apologize in advance for all of the upcoming slanderous and politically incorrect articles.
